Sponsored 1 mile run in aid of Forget Me Not Children's Hospice

Children can wear PE kit to school

Dear Parents/Carers,

We are proud to announce that we will be supporting Forget Me Not Children's Hospice with their 'Around the World' challenge during Children's Hospice Week (21st – 27th May 2018). We are aware that some children have already begun fundraising and this is fantastic but we are going to complete a whole school challenge as well!

The circumference of the Earth is approximately 24,900 miles, and by teaming up with thousands of children from lots of other schools and youth organisations across West Yorkshire and North Manchester, we are aiming to collectively travel 'Around the World' in just one week and raise vital funds for Forget Me Not along the way through sponsorship.

Forget Me Not supports children with life-shortening conditions and their families across West Yorkshire. The charity supports these families both at their hospice, Russell House, located in Huddersfield and through their hospice at home service, offering families a range of services from therapy to care. It costs £4 million each year to run the charity and with just 4% coming from government funding, the support of the community is vital.

Forget Me Not has delivered a fantastic assembly to our pupils which has hopefully inspired your child and really motivated them to get as much sponsorship as they can!

Because even a small amount raised by each of our pupils will help make a big difference to the lives of local children and families, don't forget to boost your donation by completing the Gift Aid details. This will add 25p for every £1 you donate (at no extra cost to you).

The sponsored mile will take place this Friday morning & children can wear PE kit all day at school instead of their school uniform for this event. Sponsor money is due in full by Friday 8th June. We would also like to add that children who have already been fund raising and parents who have already contributed – please do not feel you have to contribute again.

Good luck to everyone in advance of the challenge and let's do our bit to encourage our children to support other's local children by going 'Around the World'!

Thank you in anticipation of your support.
