Monday 8<sup>th</sup> January

Dear Parent/Guardian

With SATS slowly approaching we feel that your child would benefit from an after school booster session in an effort to work towards securing their attainment in Mathematics. We are planning to hold an additional session each Monday, from 15/01/18 - 12/02/18 with a snack and drinks provided for your child. The session will begin straight after school and will finish at 4:15pm. Please note that children should report to 6B immediately after school.

If for any reason your child is unable to attend, could you please ensure that you inform the office or myself, so that I can prepare resources.

Yours faithfully,

Mr L Booth & Miss J Joshua
