

Castleford Park Junior Academy

SEND Information Report September 2020

Children and Families Bill 2013

The Children and Families Bill takes forward the Government's commitments to improve services for vulnerable children and support the development of stronger families. It underpins wider reforms to ensure that all children and young people can succeed, no matter what their background. The bill will reform the systems for adoption, looked after children, family justice and special educational needs.

The Government is transforming the system for children and young people with special educational needs and Disability (SEND), including those who are disabled, so that services consistently support the best outcomes for them.

The bill will extend the SEND system from birth to 25, giving children, young people and their parents greater control and choice in decisions and ensuring needs are properly met. It takes forward the reform programme set out in '**Support and aspiration: a new approach to special education needs and disability - progress and next steps**' by:

- replacing old statements with a new birth- to-25 'Education, Health and Care Plan'
- improving cooperation between all the services that support children and their families, particularly requiring local authorities and health authorities to work together and providing them with a 'Local Offer'

What is the Local Offer?

The Local Offer was first introduced in the Green Paper (March 2011) as a local offer of all services to support disabled children and children with SEND and their families. This easy to understand information will set out what is normally available in schools to help children with lower-level SEND as well as the options available to support families who need additional help to care for their child.

Castleford Park Junior Academy has an inclusive ethos and works in partnership with children, parents and other agencies to provide the best possible educational outcomes. We strive to provide a broad and balanced curriculum with high expectations and suitable targets for all. We have systems for early identification of barriers to learning and participation. All Special Educational Needs and Disability (SEND) provision is overseen by the Senior Leadership Team (SLT) in school and is co-ordinated by the Special Educational Needs and Disability Co-ordinator (SENDCo) alongside the assistant SENDCo. SEND provision is monitored, reviewed and evaluated on a regular basis by the SLT and termly reports are given to the governing body

Castleford Park Junior Academy

SEND Information Report September 2020

to inform them on how individual needs are being met and how SEND funding is being spent. E.g. specialist staffing, resources and training. Teachers take account of all children's needs and make provision to support individuals, or groups of children. We recognise that children may have specialised needs at any time or throughout their time in school and we will strive to support children through this. We strongly believe that all our learners have gifts and talents that should be promoted throughout school in order to provide every opportunity for each child to achieve their full potential. Parents of these children are regularly consulted and invited to attend meetings termly so that targets can be developed and agreed together and will also reflect aspirational and achievable outcomes.

Clear, informative Supporting Me to Learn Plans (SMTLPs) are put in place and reviewed half termly ensuring evidence of impact from interventions has been gathered leading to assessments and next steps for the child. This form of monitoring ensures children are on track to meet targets and that planning addresses individual needs. Intervention plans are reviewed every six weeks to inform next steps and ensure progress and achievement is taking place.

Staff in school are trained and work alongside other professionals to develop their skills, knowledge and confidence in specific areas of SEND. This includes: Speech and Language service, physiotherapy service, Learning Support service, Social, Emotional and Mental Health Team, Ethnic Minority Achievement Team, Occupational Therapist, Communication Interaction Access Team, Childhood and Mental Health Service (CAMHS), Educational Psychologists.

The school's policies, available on the website, reflect the school's commitment to inclusion, safety and well-being of all children.

All teachers are teachers of SEND pupils and as a result will provide quality first teaching which takes account of the specific needs of pupils with SEND within the classroom setting.

At Park Junior Academy:

- We will provide a challenging and stimulating environment in which each child can develop to their full potential and feel secure and valued.
- We will provide a broad and balanced curriculum designed to nurture enquiring minds, which will enable all children to acquire the skills, attitudes, concepts and knowledge appropriate to the Primary Stages of Education.
- We will help children develop self-confidence and will encourage good behaviour in order

Castleford Park Junior Academy

SEND Information Report September 2020

to promote self-discipline and responsibility for themselves and others.

- We will encourage children to have a positive and tolerant attitude towards themselves, other people and the different cultures in the world in which they live and provide equal opportunities for all children, regardless of gender, race, creed or ability.
- We will work hard to create a supportive and caring learning community which provides our children with a happy and successful time at our school.

Special Educational needs provision is educational provision that is additional to, or different from that made generally for others of the same age. This means provision that goes beyond the differentiated approaches and learning arrangements normally provided as part of quality first teaching. It may take the form of additional support from within a setting or require involvement of specialist staff or support services.

Our school has a Special Educational Needs and Disability Coordinator (SENDCo) and an Assistant SENDCo who are responsible for the management of provision and or support for identified pupils with SEND. Their contact details are:

Jody Roberts (SENDCo)

Park Junior Academy

Medley Street

Castleford

West Yorkshire

WF10 4BB

01977 518959

Email: enquiries@pjademy.net

Julie Hurdiss (Assistant SENDCo)

Park Junior Academy

Medley Street

Castleford

West Yorkshire

WF10 4BB

01977 5168959

Email: enquiries@pjademy.net

As part of the role of SENDCo, Mrs Roberts and Mrs Hurdiss also mentor and support colleagues within the setting to enable them to provide appropriate assessment and targeted provision for children in their class with SEND.

Castleford Park Junior Academy

SEND Information Report September 2020

The information below outlines the support available within the school setting to all pupils at Park Junior but specifically those with Special Educational Needs.

Teaching and Learning

What additional support can be provided in the classroom?

- A Teaching Assistant (TA) or a Special Needs Assistant (SNA) is an additional member of support staff who works under the direction of the SENDCo and class teacher. At Park Junior TAs and SNAs work with small groups and on a 1:1 basis within the classroom to help a range of pupils access differentiated activities.
- TAs and SNAs are trained to deliver intervention programmes that support children in developing their literacy, numeracy or social skills. These take place outside of the normal literacy and numeracy lessons.
- We also have an Inclusion Manager. She provides support to pupils and parents across the whole school where pupils, or parents are feeling particularly vulnerable, anxious or in need of someone to talk to.
- We benefit from volunteers (most notably work experience students or parents) who support children throughout school - particularly with reading.
- Classroom displays are specifically aimed to support children's current learning, and the use of literacy and numeracy working walls and clear, differentiated learning objectives and steps to success provide appropriate prompts for the children.
- Differentiated activities specifically target the needs of the learner within a particular area of the curriculum. Differentiation may be evident through a variety of means for example; helping pupils' access adult support, resources and extra tasks.
- Where needed, we also purpose-build and buy a range of equipment that is recommended as extra support for some of our pupils - ranging from technological support such as 'sound buttons' to intervention guidance such as 'Socially Speaking' and also building equipment such as large scale black boards for the smooth running of handwriting intervention.
- We aim to develop each pupils' level of independence before they move to High School and use a range of resources within and around lessons to promote this independent working and attitude. We view this with particular importance for our SEND and disadvantaged pupils.

What provision do you offer to facilitate access to the curriculum and to develop independent learning? (This may include support from external agencies and equipment/facilities)

Castleford Park Junior Academy

SEND Information Report September 2020

- All of our teachers are required to plan differentiated lessons that children can access. This is achieved by our teachers using relevant assessment information to identify each individual pupil's starting point and their subsequent next steps. Specific planning is then developed each week that is tailored to the specific needs of pupils within class.
- If a pupil has difficulties in certain areas, these are taken into account by the teacher, discussed with the parents/carers and they will make plans, together with the pupil if appropriate, to overcome this. If further support is needed they will discuss a child's needs with the special educational needs and disability co-ordinator (SENDCo).
- The SENDCo may carry out additional assessments to find out more about the child's learning difficulties so that the curriculum and teaching can be tailored to ensure the child makes progress.
- If needed, the SENDCo may refer to outside agencies for advice from specialists in a particular area such as the Educational Psychologist, Community Paediatrician, Speech and Language Therapist, School Nurse, Learning Support Services and the Communication Interaction and Access Team. The advice provided from the specialists is used to inform planning and any intervention provision needed.
- If a child needs a SMTLP parents will be involved in planning child centred targets and provided with a copy. Parents will be invited to discuss the SMTLP three times annually and the plans will be reviewed by class teachers 6 times a year.
- Some pupils need specific pieces of equipment to help them work and learn more independently. At Park Junior Academy we have a range of different types of specialist equipment to support pupils.
- We have alternative provision spaces within school including the sensory room, construction room and reflect. These are all supervised areas of school where children can access depending on their specific needs.
- The school building is on one level and there are disabled toilet facilities and access ramps where required, in order to provide inclusion and access for all.

Staff specialisms/expertise around SEND or disability

- Experienced SENDCo who has undertaken the National Award for SENDCos.
- Staff have received training in the following areas:
 - ✓ Phonics
 - ✓ Positive Handling - REACT
 - ✓ Numicon
 - ✓ Behaviour Management
 - ✓ Socially Speaking Intervention and Circle of Friends

Castleford Park Junior Academy

SEND Information Report September 2020

- ✓ Precision Teaching
- ✓ Fit to Learn
- ✓ It's in a bag/ What's in the bag
- ✓ Speed Up
- ✓ Dyslexia specialist teaching
- ✓ Catch up Reading
- ✓ Lego Therapy
- ✓ Teaching the National Curriculum to a highly differentiated level
- ✓ SpLD (Specific Learning Difficulties)
- ✓ Restorative Practice
- ✓ Attachment disorder training
- ✓ Talking partners
- ✓ PDA (Pathological Demand Avoidance) training
- ✓ SEND review training
- ✓ Autism awareness training
- ✓ ELSA (Emotional Literacy Support Assistants)
- ✓ Mental Health First Aiders

What ongoing support and development is in place for staff regards supporting children and young people with SEND?

- Staff development needs are identified through performance management and appraisals.
- The SENDCo identifies training required according to pupil need.
- All monitoring that takes place, including lesson observations, work and planning scrutiny and discussions with pupils, considers each individual pupil and the progress they are making.
- Where more training is needed to support the staff members within the classroom, this will be provided and the impact of this monitored - looking again at the progress each individual is making at termly assessment points.
- Castleford Park Junior Academy has a very open and transparent attitude to monitoring - staff frequently work together to provide guidance and advice to develop their classroom provision for each individual.
- More experienced, or specialised teachers are often deployed to give guidance and support to less-experienced (within the particular field of skill needed) using their coaching skills to do so

What arrangements are made for reasonable adjustments in the curriculum and support to the pupil during assessments?

Castleford Park Junior Academy

SEND Information Report September 2020

- The Headteacher and teaching staff oversee access arrangements - which includes readers, scribes, extra time, small classroom for anxious students and extra support for families and pupils who need this.
- Coloured overlays, access to laptops and sound recorders and other literacy-based tools for pupils with dyslexic tendencies.
- Differentiated activities and resources/tests (Including emotional literacy assessments) for SEND pupils.
- SMTLPs are shared with all staff who have direct teaching/support contact with a pupil.
- Practical resources to help establish conceptual mathematical understanding.

What external teaching and learning do you offer?

- If needed, we may refer pupils to a number of external agencies such as Speech and Language service and Educational Psychology.
- If a pupil requires additional support from the Learning Support Service or the Communication, Interaction and Access Team they may conduct 1:1 or small group teaching sessions to target the specific needs.
- Interventions take place around the school day where parents agree - most frequently within Year 6 - both in the morning and after school.

How does Park Junior Academy know if pupils need extra help?

Children may be identified as having SEND through a variety of ways including the following:-

- Liaison with any previous school or setting.
- If a child is performing significantly below age related expectations.
- Concerns raised by parent or class teacher/adult within class.
- Through termly Pupil Progress Meetings held between the Teachers/SENDCo and Head Teacher.
- Liaison with external agencies.
- Health diagnosis through pediatrician/doctor.
- Through regular teaching and learning monitoring conducted by a member of the Senior Leadership Team or a subject coordinator.

As a school, we measure children's progress in learning against National Expectations, Age Related Expectations and set aspirational targets based on individual performance both in Key Stage One SATs and throughout a pupils' time in school.

The class teacher continually assesses each child and notes areas where they are improving and where further support is needed. As a school, we track children's progress from entry

Castleford Park Junior Academy

SEND Information Report September 2020

at Year 3 to Year 6 using a variety of different methods that monitor and measure progress made.

Children who are not making expected progress are analysed through our termly Pupil Progress Review meetings with the class teacher, Assessment Coordinator and Head teacher. In this meeting a discussion takes place concerning why individual children are experiencing difficulty and what further support can be given to aid their progression.

What should I do if I think my child may have special educational need or disability?

- Talk to the school. In the first instance contact your child's class teacher who will follow the school's SEND pathway (see website).
- If you require more information contact the SENDCo, Deputy Headteacher or Headteacher.
- We pride ourselves on building positive relationships with parents and care very much about each pupil's well-being and progress.
- We may also advise you to seek guidance from your GP who knows your child's medical profile better than we do.

What support will there be for my child's overall wellbeing?

- We are an inclusive school; we welcome and celebrate diversity. All staff appreciate the importance of children having high self-esteem in order to achieve positive well-being and learning attitude. Here at Park Junior Academy we commit to our own aims and ethos statement and ensure pupils are able to develop to their full potential and feel secure and valued particularly through our PSHCE teaching.
- The class teacher has overall responsibility for the pastoral and social care of every child in their class, therefore this person would be the parents' first point of contact.
- We also have an Inclusion Team that comprises of an Inclusion Manager and two behaviour mentors who support pupils and parents by providing pastoral care.
- The Headteacher and the Inclusion Manager are the Designated Safeguarding Lead and Deputy in school.
- If further support is needed the Inclusion Manager can liaise with the SENDCo/Headteacher. This may involve working alongside outside agencies such as Health and Social Services.

Reviews

What arrangements are in place for review meetings for children with Education, Health and Care (EHC) Plans?

Castleford Park Junior Academy

SEND Information Report September 2020

- All parties involved, including parents and child, will be invited to attend the meeting with at least 3 weeks' notice. This may include: The SENDCo, Assistant SENDCo, Class teacher and representatives from appropriate external agencies.
- Parents will receive documentation prior to the review and will be asked for their views so that they can actively contribute to the plans going forward.
- Review meetings will be held at school.
- Translation services will be provided if necessary to help communicate with parents.
- Pupils with an EHCP, will be consulted about their views on their SEND and provision in school. The evidence gathered may be in the form of writing, photographs, pictures, mind maps or also recorded on a recordable device.
- For pupils who are transitioning at a key point- for example, Key Stage One to Key Stage Two, or Key Stage Two to Key Stage Three, there are additional arrangements: The Phase Leaders of each department, new class teachers and the SENDCo will meet to discuss the needs of all SEND pupils making the transition.
- Social Stories and transition books will be started at the start of the second summer half term for those children who require it in order to support each pupil fully with the changes that are imminent.
- Pupils will also be provided with more opportunity to spend time in their new classroom and setting to familiarise themselves with it.
- The SENDCo works closely with the Inclusion Manager and liaises with all Secondary School SENDCOs regarding pupils transitioning from KS2 to KS3. Should a child with an EHCP be moving to secondary school the SENDCo from the High School will also be invited to the EHCP review meeting.

What arrangements are in place for children with other SEND support needs?

- Parents of pupils at SEN Support Level and SEN support Level Plus meet with the class teacher three times annually to discuss the child's progress, review their SMTLPs and set targets for their new SMTLP. This provides an informal report on progress, formalised when the school report is sent out in July.
- Parents will receive an annual report each year and will also be able to attend two regular meetings where their child's progress can be discussed with the class teacher.
- Parents can also meet with the SENDCo/ Assistant SENDCo by appointment anytime throughout the school year to discuss any concerns, or queries about their child's progress or well-being.
- Children who present with Social, Emotional, Mental Health (SEMH) difficulties may have a Positive Behaviour Plan (PBP) in place which is created with the child, parents and others who may be involved with the child. This is reviewed regularly as a working document to keep it up to date with the needs of the pupil.

Castleford Park Junior Academy

SEND Information Report September 2020

How do you share educational progress and outcomes with parents?

- Meetings are held with parents three times annually where progress and SMTLPs are reviewed/discussed.
- Annual School report - once yearly (and twice yearly meetings for discussion with the class teacher).
- Meetings with parents as the need arises for SEND pupils.
- Review of EHCPs.

How will my child be able to contribute their views?

- We value and celebrate each child being able to express their views on all aspects of school life. Children who have SMTLPs discuss and set their targets with their class teacher. If your child has an EHC Plan, then their views will be obtained before any meetings and they may be invited to attend part of formal meetings where appropriate.

Keeping Children Safe

What are the school arrangements for undertaking risk assessments?

- Risk assessments are undertaken when children are taken off site to take part in an activity and are also used to assess any situations that may pose risk within school, such as when pupils are playing on the playground or working on particular activities in class.
- An individual pupil risk assessment may also be used when a pupil's needs may pose a risk to themselves, the adults responsible for them, or the children in their immediate vicinity which could include use of positive handling techniques.
- An outcome of a risk assessment for a pupil with special educational needs might be: for a child to have increased support at key points in the school day/ in off-site activities, or for activities to be adapted if they are unsuitable for a pupil's needs.
- If necessary these are shared with parents at either an annual review or as part of the regular parents meeting with the class teacher.
- Park Junior Academy follows Wakefield Council guidance on risk assessments and the Evolve reporting system is used for all off-site trips.

What handover arrangements will be made at the start and end of the school day?

Do you have parking areas for pick up and drop offs?

- Key Stage Two children can enter school via the playground independently but their parents are asked to wait until the school doors are open at 8:45am when members of staff start their duties on the playground.

Castleford Park Junior Academy

SEND Information Report September 2020

- Staff are on the playground from 8:45 in the morning until the bell rings at 8:55 to support handover arrangements and ensure pupils are safe. They also do the same on an afternoon - from 3:05 until 3:15pm unless they are supporting the organisation of an after-school club.
- Should there be a need for a pupil to enter/leave school separately from the other children, they can enter and leave via the main school entrance. There is also an area for parents to wait. The school office is informed of any handover arrangements and support the class teacher in ensuring that these details are given high priority.
- Children who stay for an after-school club are expected to be picked up by an adult at the appropriate time, or a signed letter must be handed in that states that a particular pupil is able to walk home independently. If a pupil is not picked up at the end of the day, both staff and pupils know that the pupil will be escorted to the main office - where their parents/a carer will be contacted to make further arrangements.
- There is no dedicated pick up/drop off area for pupils although a lollipop lady monitors the main drop off area to ensure the safety of pupils. Parents are encouraged to use the Civic Centre Car Park or walk their children to school as there is limited parking availability around the school grounds.
- Park Junior Academy does have disabled parking facilities for children or parents who may need it and they are invited to park within the school gates whilst dropping off, or picking up.

What support is offered during breaks and lunchtimes?

- If a pupil is struggling to access playtimes and lunchtimes either because they struggle to regulate their behaviours or find it difficult to interact with their peers, then they may access a range of activities/ strategies such as playground buddies at lunchtime or more closely supervised play at playtime. Our Inclusion Manager and Behaviour Mentors also provide support for such pupils, engaging them in games or developing friendships, or ensuring there is a calm, quiet place for such pupils to sit.
- Playground equipment is available to all pupils and is monitored by staff and pupil monitors.
- First aiders with high visibility jackets are on duty throughout playtime and remain visible to pupils in each playground zone.
- All pupils with additional needs have a dedicated key worker at lunchtimes who they must report any problems to. This will be the class teachers' point of contact.
- If there is provision within an EHCP for lunchtime support, a member of staff will be employed specifically to support that child.

Castleford Park Junior Academy

SEND Information Report
September 2020

How do you ensure my son/daughter stays safe outside the classroom? (e.g. during PE lessons and school trips)

- At all points in the school day when children are moving around the school, staff are placed strategically to ensure that children safe. Staff supervise children at all times, including when walking through school, to minimise risk. Several systems are in place to ensure that pupils remain safe at all times such as: No pupils in classrooms unsupervised by an adult, pupils travel in pairs when they need to visit a different area of school and lunchtime supervisors are in place along the corridors to ensure that pupils do not enter unsupervised areas at playtime and dinnertime.
- Risk assessments are undertaken for all school trips and individual risk assessments are taken out for pupils in conjunction with the parent and any outside agencies as necessary.
- PE lessons are always supervised and risk assessments for individuals are undertaken if and when necessary.
- Staffing ratios are strictly adhered to and in the case of lunchtime provision are exceeded.
- Our school building is also extremely secure - all outside doors remain shut, or are electronically locked when pupils are in school and the perimeter of the building is surround by a fence, with locked gates.

Where can parents find details of policies on bullying?

- All key policies are available in the Policies section of the school's website. Should a parent want a hard copy, one will be provided by post.

Health (Including Health and Emotional Wellbeing)

What is the school's policy on administering medication?

- School has a policy on medication administration, ratified and agreed by governors. A copy is available in the Policies section of the school's website.

If my child has a disability how will they access the school?

- School has an Access Plan. A copy is available in the SEND Policies section of the school's website.

How do you work with the family to draw up a care plan and ensure that all relevant staff are aware of the plan?

- A multi-agency meeting is held with the parent/carer, the SENDCo, Inclusion Manager, school nurse and any other professional who is involved with the pupil. The Care plan is then shared with all staff during briefing and is regularly monitored by

Castleford Park Junior Academy

SEND Information Report September 2020

the SENDCo, parents are consulted should there be any adjustments made to the plan. Equally, parents can come into school and meet with the SENDCo if they feel the plan needs to be amended.

- At Parents' Evenings care plans are reviewed, amended and then distributed to relevant staff who need them.
- Key staff are trained in the use of Epi-Pens, inhalers and epilepsy medication.

What would the school do in the case of a medical emergency?

- Call 999/ follow any emergency protocols for the child/ administer first aid as required
- Contact a qualified first aider
- Contact parent/carer, and ensure that they can make their way to the hospital. In absence of parent/carer a first aider would accompany the pupil to the hospital.
- If language is an issue the member of staff would stay at the hospital and explain to the medical staff what had happened, if possible a translator would be brought in.

How do you ensure that staff are trained/qualified to deal with a child's particular needs?

- All staff are trained every year on Safeguarding/Child protection. The Designated Leads and Senior Staff also refresh their training every year.
- Relevant staff undertake external courses provided by the LA and private companies.
- Relevant staff are trained on how to use an epi pen, inhaler, or epilepsy medication.
- Relevant staff all trained on CAF completion and other relevant documents, i.e. MASH, EWO referrals, etc.
- Training by outside professionals for ASD, ADHD, S&L, etc.

Which health or therapy services can children access on school premises?

- Scheduled health screening for example vision and hearing tests.
- Speech and Language is delivered by the SALT team according to the needs of individual children.
- Occupational Therapy may conduct work 1:1 with pupils in school.

Communication with Parents

How do you ensure that parents know "who's who" and who they can contact if they have concerns about their child/young person?

- Staff information is provided at the start of each school year to all parents and to new parents as and when required.
- Staff information is also available on the school website.

Castleford Park Junior Academy

SEND Information Report September 2020

- The SENDCo encourages all parents to ring regarding any concerns that they may have or meet with the Head, or Deputy Head in the morning, or evening on the playground.
- Staff are all available to speak briefly to parents at the beginning of the day, or to arrange a further, more detailed appointment.

Do parents have to make an appointment to meet with staff or do you have an Open-Door policy?

- Park Junior Academy does operate an open-door policy to speak to a member of staff but an appointment will be made if there is a request to speak to a teacher, due to their teaching commitment.
- All parents' concerns are dealt with as swiftly as possible; usually on the day of initial contact or at the latest, the day after.
- School use the 'Bloomz' school app where contact can be made directly to class teachers to discuss any worries or concerns.

How do you keep parents updated with their child/young person's progress? Do you offer open days? What opportunities are there for parents to have their say about their son/daughter's education?

- Parent's Evenings twice annually / Regular parent drop ins.
- SMTLP meetings three times a year.
- Annual School report - once yearly.
- Meetings with parents as the need arises for SEND pupils.
- Review of EHCPs annually or as and when required.
- Reward Certificates, Stickers, Planners
- Letters home.
- Bloomz communication school app.
- Hall of Fame assembly
- Parents are invited into school to attend their child's class assembly, to take part in services at Harvest, Christmas and Easter at our local church and to be involved in structured learning opportunities such as creative weeks and opportunities to work alongside their child.

How can parents give feedback to the school?

There are plenty of opportunities for parents to provide feedback both formally and informally.

- Parental Questionnaire annually (Ofsted parent view in addition)
- School academic diary
- SEND Parental Questionnaire

Castleford Park Junior Academy

SEND Information Report
September 2020

- Parental Meetings
- Telephone Calls
- Letters
- Arrange to see staff at a mutually convenient time
- Bloomz school communication app

Working Together

What opportunities do you offer for pupils to have their say? e.g. school council

- School Council
- Pupil questionnaires
- Through informal discussions with their class teacher and other members of staff during and around lesson times
- Pupil-led assemblies
- Pupil voice is also gathered as part of the monitoring process

What opportunities are there for parents to get involved in the school or become school governors?

- Parental volunteers are encouraged.
- As governor posts arise, all parents are offered the opportunity to become a governor. They are asked to complete a letter of application and this is then published to parents.

What are the Governors responsibilities?

- Our current SEND Governor is Lucy Simpson and she is contactable through the usual school contact details. The Governor meets regularly with the SENDCo and will be updated on changes and current needs in school.
- The SENDCO, Head teacher and School Business Manager report regularly to the Governing body regarding progress and teaching and learning, which involves discussing the progress that pupils with additional needs make and the resources they may need.

What Help and Support is available for the Family?

Do you offer help with completing forms and paperwork? If yes, who normally provides this help and how would parents access this?

- If parents need help completing forms or paperwork then either the SENDCo, member of the Senior Leadership Team, Inclusion Manager or SEND support co-ordinator would arrange to meet with them and help them complete all the necessary paper work.

Castleford Park Junior Academy

SEND Information Report September 2020

- Parents are offered this service at a parental meeting or by phone.
- All parents of pupils with special needs are made aware of the Wakefield Early Support Advice Information Liaison (WESAIL) whom are also available to support parents with completion of forms and other matters regarding SEND. More information can be found at the Wakefield Offer website:
<http://wakefield.mylcaloffer.org/Home>

What information, advice and guidance can parents and young people access through the school? Who normally provides this help and how would they access this?

- Our Inclusion Manager provides parents with important information about financial support and external agency support for parents.

Transition from Primary School and School Leavers

What support does the school offer around transition?

- Pupils who are transitioning at a key point for example, Key Stage Two to Key Stage Three have additional arrangements. The Phase Leaders of each department, new class teachers and the SENDCo will meet to discuss the needs of all SEND pupils making the transition. Social Stories and transition books will be started at the start of the second summer half term for those children who require it. Pupils will also be provided with more opportunity to spend time in their new classroom and setting to familiarise themselves with it.
- Parents of Key Pupils who we envisage experiencing difficulties/barriers will be invited into school for a meeting with the Inclusion Manager or SENDCo. This is particularly important for children with social and communication difficulties.
- The SENDCo works closely with the Inclusion Manager and liaises with all Secondary School SENDCOs regarding pupils transitioning from KS2 to KS3. Should a child with an EHCP be moving to secondary school the secondary SENDCo will also be invited to the EHCP review.
- Year 6 pupils spend a full day at their new secondary school in July of the summer term whilst pupils identified as possibly 'vulnerable' could visit more often if it is agreed that this would benefit them.
- Transition activities for secondary school take place during both Year 5 and 6 such as Inter-Schools Sports Competitions and 'Library Group' visits throughout the year.
- All pupils from Y3-Y6 will engage in transition activities within school with their new class teacher. These include meeting their new teacher and spending three full days with them. Teachers also meet to have a professional discussion regarding the learning and social needs of the pupils they are passing on.

Castleford Park Junior Academy

SEND Information Report September 2020

- All pupils take their SMTLP with them to their new class from September and this will be reviewed after the first half term. This is to ensure that the pupil's needs continue to be met at the start of the new school year.

Extra-Curricular Activities

Do you offer school holiday and/or before and after school provision? If yes, please give details.

- Yes. On-site Breakfast Club and after school Wrap Around Club that provides care from 8:00am until the start of school. School staff run the club so that we can ensure that the children receive high quality, professional care in familiar surroundings, including breakfast and after school snack - which they help prepare. For further information please contact the school office on 01977 518959. We also provide this service for our neighbouring infant school.

What lunchtime or after school activities do you offer? Do parents have to pay for these and if so, how much?

- There are a wide variety of lunchtime and after school activities that pupils are actively encouraged to attend. These include: multi-skills sports, cross country, homework club, football, netball, choir, forest club and Lego club.
- Most activities have a small charge to help school with resourcing and staffing of the clubs and some are led by an external company that charge.
- Most lunchtime and after school clubs are targeted at a particular age group however all pupils within this group and encouraged to sign up and they will then be chosen on a first come first served basis.

How do you help children and young people to make friends?

- There are weekly PSHE sessions which regularly focus on the theme of friendship.
- Pupils who have identified social need take part in interventions which enable the development of confidence and nurture a core group of 'friends' who will support the individual concerned.
- All adults on the playground support pupils with positive play and developing friendship and designated pupils also help with this where appropriate.
- This is also the role of our Play Leader at Dinner time and our Inclusion Manager at playtime and all staff are trained and use a restorative approach with the children.

This document is contributing to the Wakefield Council Local Offer. A copy of the Council Local Offer is available at

Castleford Park Junior Academy

SEND Information Report
September 2020

<http://mylocaloffer.org/Wakefield>

SEND Information Report: Park Junior Academy's Local Offer will be reviewed annually to reflect the changing needs of the children who join and are developing in our school. Part of this review process will involve contributions from parents.

Glossary of Terms

<p>ADHD/ ADD</p>	<p>Attention Deficit Hyperactivity Disorder/Attention Deficit Disorder</p>	<p>ADHD/ADD is a disorder that appears in early childhood. ADHD/ADD makes it difficult for students to hold back their spontaneous responses (responses can involve everything from movement to speech to attentiveness). Students with ADD are not diagnosed as having excessive hyperactive behaviour but display all other symptoms.</p> <p>Children with ADD/ADHD may be:</p> <p>Inattentive, hyperactive, and impulsive (the most common form)</p> <ul style="list-style-type: none"> • Inattentive, but not hyperactive or impulsive. • Hyperactive and impulsive, but able to pay attention.
	<p>Anxiety</p>	<p>A feeling of worry, nervousness, or unease about something with an uncertain outcome.</p>
	<p>Assessment</p>	<p>This involves building a picture of your child's abilities, difficulties, behaviour, his/her special educational needs and the support required to meet those needs. Assessment is an important part of deciding whether your child's progress rate is as good as is expected. Teachers carry out routine assessments regularly.</p> <p>More specialised assessments may be required if progress is not at an expected rate. This may be carried out by the SENDCO, an Educational Psychologist or an Advisory Teacher.</p>

Castleford Park Junior Academy

SEND Information Report September 2020

		A statutory assessment is a formal procedure which involves the collection of information from as many people as possible who have detailed knowledge about your child. This may lead to the issue of a statement of special educational needs.
ASD	Autistic Spectrum Disorder	<p>Autistic spectrum disorders are characterised by difficulties interacting and communicating.</p> <p>The characteristics of autism can be described as the 'triad of impairment':</p> <ul style="list-style-type: none"> • Socialisation – difficulties with social skills; • Communication - difficulties with speech language and communication; • Imagination - rigid thought and resistance to change.
	Clinical Psychologist	Clinical Psychologists help parents and children who are experiencing emotional and/or behavioural difficulties in their home environment.
	Code of Practice	The SEND Code of Practice (often referred to as 'The Code') gives practical guidance on how to identify, assess and support children with special educational needs. All early education settings, state schools and Local Education Authorities must take account of this Code when they are dealing with children who have special educational needs and/or disabilities.
	Differentiation	Differentiation is the adjustment of the teaching methods and/or resources according to the learning needs of the pupils. It can be aimed at the groups within the class or individuals. See also personalised learning.

Castleford Park Junior Academy

SEND Information Report September 2020

	Differentiated Curriculum	A curriculum that is specially adapted to meet the special educational needs of individual children.
	Dyscalculia	Children with dyscalculia have difficulty in acquiring mathematical skills. Children may have difficulty understanding simple number concepts, lack an intuitive grasp of numbers and have problems learning number facts and procedures. Dyscalculia is a type of Specific Learning Difficulty (SpLD). See under SpLD below.
	Dysgraphia	<p>Dysgraphia is a specific learning disability that affects written expression. Dysgraphia can appear as difficulties with spelling, poor handwriting and trouble putting thoughts on paper. Dysgraphia can be a language based, and/or non-language based disorder.</p> <p>Many people have poor handwriting, but dysgraphia is more serious. Dysgraphia is a neurological disorder that generally appears when children are first learning to write. Experts are not sure what causes it, but early treatment can help prevent or reduce problems.</p>
	Dyslexia	Children with dyslexia have a marked and persistent difficulty in learning to read, write and spell, despite making good progress in other areas. Areas of difficulty include: working memory, organisation, reading comprehension, handwriting, punctuation, concentration, sequencing words and numbers. Students with dyslexia may also mispronounce common words or reverse letters and sounds in words. Dyslexia is a type of Specific Learning Difficulty (SpLD). See under SpLD below

Castleford Park Junior Academy

SEND Information Report September 2020

	Dyspraxia	A disorder that affects the co-ordination of movement. This can affect co-ordination of the speech organs (oral dyspraxia) or other actions e.g. eating, dressing or writing. Dyspraxia is a type of Specific Learning Difficulty (SpLD). See under SpLD below.
EHCP	Education, Health and Care Plan	From 1 st September 2014, Education, Health and Care Plans (EHCPs) will be issued instead of statements of SEND. An EHCP has the same statutory protection as the old 'statement' but it can be issued at and maintained to any point from birth to the age of 25. The criteria and procedure for securing an EHCP for a child is detailed as part of Wakefield's Local Offer.
EPS	Educational Psychologist Service	Most, but not all, Educational Psychologists are employed by local authorities (LAs). Their main work is with schools and pre-school settings to provide advice, support and staff training for children with SEND. They may perform assessments of children with SEND and produce a report as part of the statutory assessment.
	Exam Special Arrangements	Special arrangements can be made for pupils who are disadvantaged during exams because of certain difficulties such as dyslexic tendencies. Readers, scribes and or extra time can be arranged, for pupils who meet the exam board criteria, in order that the disadvantage they have can be redressed.
	Exam Special Concessions	Special concessions can be arranged for pupils who qualify for these e.g. the exam paper can be enlarged or written in Braille for pupils with visual difficulties or a scribe can be used if a pupil breaks an arm before the exam etc.

Castleford Park Junior Academy

SEND Information Report September 2020

	Governors	Each school has a board of Governors that is responsible to parents, funders and the community for making sure the school provides a good quality education.
HI	Hearing Impairment	Children with a hearing impairment range from those with a mild hearing loss to those who are profoundly deaf. They cover the whole ability range. For educational purposes, children are regarded as having a hearing impairment if they require hearing aids, adaptations to their environment and/or particular teaching strategies in order to access the concepts and language of the curriculum
	Inclusion	Inclusion is the process by which schools and other establishments change their principles, policies, practices and environments to increase the presence, participation and achievement levels of children with special educational needs and/or a disability.
	Inclusion Manager	Inclusion Manager works with school pupils students to help them address barriers to learning and improve achievement. The work they do depends on the priorities of the school they work in but can include running after-school clubs, anti-bullying programmes or helping young people to revise.
LD	Learning Difficulties	A child has learning difficulties if he or she finds it much harder to learn than most children of the same age.
LA	Local Authority/ Council	Each council has an LEA. The LEA is responsible for the education of all children living within the council's area and has some responsibility for all state schools in our area. In Wakefield, the LEA is combined with the children's social services

Castleford Park Junior Academy

SEND Information Report September 2020

		departments and is known as Family Services. Family Services have the same responsibilities for educational provision for children with special educational needs as LEAs.
	Mental Health	A person's condition with regard to their psychological and emotional well-being.
MLD	Moderate Learning Difficulties	Children with moderate learning difficulties have much greater difficulty than their peers in acquiring basic literacy and numeracy skills and in understanding concepts. They may also have associated speech and language delay, low self-esteem, low levels of concentration and under-developed social skills.
MSP	My Support Plan	<p>My Support Plan should identify how the delegated budget and access to services through the Local Offer can be made to support the child/young person, as well as how a range of professionals are offering support.</p> <p>MSP is a framework to record:</p> <ul style="list-style-type: none"> • What is important to the child/young person and their family and how best to support them <ul style="list-style-type: none"> • Contributions from all advice givers • A shared understanding of an individual's strengths and needs <ul style="list-style-type: none"> • What is in place and what needs to change • Agreed outcomes and actions <p>MSP is not a statutory document. However, it is the document which educational settings (including Pre-5 and Post-16 settings) will use to request a statutory assessment. It forms the basis for the subsequent EHC Plan (if determined as</p>

Castleford Park Junior Academy

SEND Information Report September 2020

		appropriate) and should remain in place, even if the decision is to not proceed to a statutory assessment. You can download the Wakefield MSP documents here: http://wakefield.mylocaloffer.org/sen-support
	National Curriculum	This sets out a clear, full and statutory entitlement to learning for all children, setting out what should be taught and setting attainment targets for learning. It also determines how performance will be assessed and reported. The national curriculum is taught in a way that meets the needs of individual children, e.g. setting goals that are achievable.
	National Curriculum Inclusion Statement	A detailed statement within the national curriculum, setting out the principles that schools must follow, to make sure that all children have the chance to succeed.
	OFSTED	OFSTED stands for the Office for Standards in Education. OFSTED is the inspectorate for children and learners in England and they oversee the quality of the provision of education and care through inspection and regulation. They inspect childcare providers, schools, colleges, children's services, teacher training and youth work.
OT	Occupational Therapy	Occupational therapy aims to improve your ability to do everyday tasks if you're having difficulties.
	Personalised Learning	Personalised learning is about tailoring education to meet individual needs, interests and aptitudes to ensure that every pupil achieves and reaches the highest standards possible, no matter what their background or circumstances or level of ability

Castleford Park Junior Academy

SEND Information Report September 2020

	Phonics	A system of teaching reading and spelling that stresses basic symbol-sound relationships and how this works in decoding words.
	Phonological Difficulties	A child with phonological difficulties finds it hard to select and use the correct sounds necessary for speech.
PD	Physical Difficulty	<p>There is a wide range of physical disabilities and pupils cover the whole ability range. Some children are able to access the curriculum and learn effectively without additional educational provision. They have a disability but do not have a special educational need. For others, the impact on their education may be severe. In the same way, a medical diagnosis does not necessarily mean that a child has SEND. It depends on the impact the condition has on their educational needs.</p> <p>There are a number of medical conditions associated with physical disability which can impact on mobility. These include cerebral palsy, heart disease, spina bifida and hydrocephalus, muscular dystrophy. Children with physical disabilities may also have sensory impairments, neurological problems or learning difficulties. Some children are mobile but have significant fine motor difficulties which require support.</p>
	Physiotherapists	Physiotherapists see children who have difficulties with movement (e.g.: walking, kicking a ball). The therapist will assess the child's movements and identify what the physical problems are and then devise a treatment plan.

Castleford Park Junior Academy

SEND Information Report September 2020

	Responsible Person	The person (either the headteacher/deputy headteacher, chair of the governing body or SEND Governor), who has responsibility for making sure that staff know about a child's special educational needs
SPD	Sensory Processing Disorder	SPD is a condition in which the brain has difficulties receiving and responding to information that comes in through the senses. ... Some people with sensory processing disorder are oversensitive to things in their environment.
SENART	Special Educational Needs Assessment and Review Team	Local Authority (Special Educational Needs Assessment and Review Team (SENART)) are the team that receives a formal request for a statutory assessment for an EHC Plan Wakefield Education, Health and Care Panel (EHC Panel) considers the information and decides whether there is sufficient evidence to proceed to a statutory assessment. The Local Authority informs all parties of the decision and requests reports if these are not already available as part of the My Support Plan process. A process map and diagram for EHCP assessment can be downloaded here: http://wakefield.mylocaloffer.org/s4s/WhereILive/Council?pagelid=4032
SENDSCO	Special Educational Needs and Disability Co-Ordinator	A Special Educational Needs and Disability Co-ordinator or SENDSCO is a teacher who has the responsibility for overseeing the day-to-day SEND provision within his or her school. The SENDSCO and your child's teacher/s should work together to plan how his/her needs should be met.

Castleford Park Junior Academy

SEND Information Report September 2020

	Special Educational Provision	The special help given to children with special educational needs which is additional to or different from the provision generally made for other children of the same age.
SpLD	Specific Learning Difficulties	See Dyslexia, Dyscalculia and Dyspraxia above.
SEND	Special Educational Needs and Disability	Children with special educational needs and disability have significantly greater difficulty in learning than most children of the same age or have a disability. These children may need extra or different help from that given to other children of the same age. Approximately one fifth of all children may have an SEND at some point in their school career.
	Special Educational Needs and Disability (SEND) Code of Practice	See 'Code of Practice' above.
	Statutory Assessment	This is the legal process for producing an Education, Health and Care Plan (EHCP). Parents, a young person over the age of 16 who is deemed capable and a variety of professionals can request a statutory assessment. Parents and/or the young person themselves if they are deemed capable, must give their permission for this to go ahead. Not all Statutory Assessments result in the issuing of an Education, Health and Care Plan. From September 2014, Statutory Assessment can be carried out at any time between a child's birth and the age of 25, although there will be very few young people undergoing the process for the first time beyond the age of 16.

Castleford Park Junior Academy

SEND Information Report September 2020

SMTLP	Supporting Me to Learn Plan	A SMTLP sets out the special help that a child will receive at school or early years setting to meet his or her special educational needs and disability (SEND). It is not a legal requirement for your child to have a SMTLP but it is good practice for parents and the child to be involved in drawing it up and reviewing it if there is one. A SMTLP should be reviewed regularly and at least twice a year. If there is no SMTLP the school should have another method of recording how it is meeting your child's SEND.
TAs	Teaching Assistants	Almost all schools now employ teaching assistants to support whole classes, small groups or individual pupils. Educational support assistants (ESA) support a child with special needs.
	Transition	Transition is when a child moves from one setting to another, such as from home to a childminder, to nursery, to primary school, to secondary school, or from education into adult life. Planning for transition is important if your child has a significant level of need where advance preparations may need to be made in the new setting to ensure it is successful.
WESAIL	<u>Wakefield Early Support Advice Information and Liaison Service</u>	Special Educational Needs Disability Information Advice Support Service provides impartial advice and information to parents whose children have special educational needs. The service offers neutral and factual support on all aspects of the SEND framework to help parents play an active and informed role in their child's education. More information can be found at http://wakefield.mylocaloffer.org/Home
VI	Visual Impairment	Vision loss to such a degree that additional support is required. Refers to people with irretrievable sight loss and does not include those whose sight problems can be

Castleford Park Junior Academy

SEND Information Report September 2020

		corrected by spectacles or contact lenses, though it does include those whose sight might be improved by medical intervention. This simple definition covers a wide spectrum of different impairments.

Outside Support Agencies

We have outside agency support for the different areas of difficulties that children may have.

LSS – Learning support service

EPS – Educational Psychology service

CIAT – Communication, Interception and Access team

CFIT – Child and Family Inclusion Team

CAMHS – Children and Adult Mental Health Service

FIM – Future in Minds (CAMHS school support)

SEMHT – Social, Emotional, Mental Health Team

- **WESAIL** - [Wakefield Early Support Advice Information and Liaison Service](#)

SALT- Speech and Language Service
