Welcome to 4AK!

After being at CPJA for 7 years, I was away last year studying and now, I am so excited to be back. Even though you will have not seen me in your first year here, I have heard so many great things about you and the beginning of your learning journey at this wonderful school.

Whilst I am positive that we are going to have lots of fun in all of our subjects, my absolute favourites have to be maths and PE. I'm really interested to find out what you like in and out of school and I will be sure to get these interests included within our lessons.

In 4AK, I am looking for team members who try their best to be resilient, collaborative and kind - so if you're up for the challenge- we'll have a fantastic year!

I hope everyone has a superb summer holiday and I can't wait to see you all in September.

Parent and carers, if you have any questions at all throughout the year, I am always happy to speak on the playground, arrange some time to come in and see me or you can message via Bloomz. Together, we will make sure your child is happy, feels safe and has a voice.

Mr. Knapp.
