Mrs Bednar – Year 4 teacher and RE co-ordinator

Welcome note to parents/carers/children.

I have worked in education for fourteen years and have taught in all year groups from Year 1 to Year 6, so I have a clear understanding of the journey your child has undergone so far and can give them the skills they will need to succeed in their education in the future.

My main passion is to make learning creative and fun. In my previous career, I was a designer and illustrator and I often use these skills to plan and present subjects- such as maths, in a fresh and dynamic way. I also love creative writing, drama and bringing learning to life through immersive techniques.

I think of my class as a family and strongly endorse the ideals of fairness, kindness and respect. Above all, I want your child to feel happy, safe and included.

If there is anything else you would like to know or ask please feel free to drop in and see me or phone school and speak to me – good education takes teamwork! I look forward to meeting you all very soon for the next chapter in your child's learning adventure!

Mrs Bednar
