Ms Wood – Year 4 Teacher, MFL Co-ordinator and Art & DT co-coordinator

Welcome note for parents/carers/children.

I have worked in education for just over eighteen years and have taught in all year groups from Year 1 to Year 6, so I have a clear understanding of the journey your children have undergone so far and can give them the skills they will need to succeed in their education in the future.

My main passions are art and literacy. It always astounds me how creative children can be with both images and words. I feel I am there to guide them in refining these skills to produce their best work.

Within my classroom, I like to create a safe environment, which is also fun. I believe that the class is a team, which works together throughout the year to get the best out of every lesson and each other. Respect and manners are something I feel strongly about, as I teach my own children at home.

My door is always open if you have any comments or concerns. I am looking forward to getting to know the children during the next academic year- See you all in September for a fun filled year!
