Y3 Trip to Bradford Industrial Museum – Tuesday 27th September

Dear Parent/Carer,

As part of our learning, we have organised a trip to Bradford Industrial Museum, on Tuesday 27th September giving the children the opportunity to experience life in the Victorian era.

This educational visit will be the basis of our learning for the Autumn term. During the visit, pupils will explore what life was like for a Victorian child, they will compare life today with that in the Victorian period and why this period of history is so significant. The museum also offers an authentically recreated schoolroom experience which aims to recapture the surroundings in which Bradford children learnt between 1870 and 1902.

The cost of this trip is £14.00 per child which should be paid on ParentPay by Friday 23rd September 2022.

Although we ask for a voluntary contribution for curriculum-based trips; it should be noted that if sufficient income is not received to cover the cost, the school will be unable to provide such activities to children in future and in extreme cases trips may have to be cancelled at short notice.

On the day of the trip, can children please be in school, arriving at their normal classroom doors, between 8:15am and 8:30am which will allow us to register the children before leaving school at 8:45am. We will be arriving back to school at approximately 4:30pm. **Children should be collected from their usual classroom doors on the playground and not from the coach to ensure all children are safeguarded.** We will post live updates for our return to school on Bloomz with a more accurate time.

Children should wear school uniform for the trip and will require a water bottle and packed lunch. A packed lunch will be provided for those children on Free School Meals.

Yours faithfully,

The Year 3 Team
